## **ZEIN OBAGI, M.D., HOSTS ULTIMATE SKIN HEALTH EUROPEAN SYMPOSIUM DURING FACE CONFERENCE 2013**

**London, England—June 21, 2013**—ZO Skin Health, Inc. is pleased to announce that Zein E. Obagi, M.D., will host the Ultimate Skin Health European Symposium at the Facial Aesthetics Conference and Exhibition (FACE) 2013 Conference. As part of FACE, the premier scientific event for experts in the field of facial rejuvenation, the Ultimate Skin Health European Symposium will explore what is new in the science of skincare, the future of aesthetics, game-changing anti-aging trends, and more.

FACE will take place from June 21-23 at the QEII Conference Center in London, with the Ultimate Skin Health European Symposium hosted on June 22 as part of the larger three-day conference.

Geared toward physician education, the Ultimate Skin Health European Symposium will give attendees a look into the current trends and future innovations in the European aesthetic marketplace. With a focus on the art and science of skin treatments and rejuvenation, the symposium will cover the science of how to restore skin health, cellular activity and function, and how to improve the skin's ability to tolerate any procedure. In this unique forum, ZO Skin Health founder Dr. Obagi and other industry leaders will introduce new research, breakthroughs and advances in the science of skin care and health.

Featured topics include:

- A Holistic Approach to Healthy Skin
- Combination Protocols
- Moisturizers, Are They Really Effective?

- Vitamin A - Best Formulation?
- Treating Ethnic Skin
- Understand Your Products by Understanding Their ACTIVE Ingredients
- A Plastic Surgeon's Perspective
- ZO Three Step Peel

“The symposium is a culmination of over 25 years of clinical insights as well as the latest research, highlighting the most effective methods for achieving and maintaining optimum skin health,” says Dr. Obagi. “We will explore various cutting edge procedures as well as the use of active ingredients and non-invasive combination protocols to treat a vast spectrum of skin concerns.”

Dr. Obagi is joined by a world-class multidisciplinary faculty including:

- Dr. David Eccleston
- Dr. Rachael Eckel
- Dr. Jonquille Chantrey
- Dr. Raj Acquilla

## **About Ultimate Skin Health Symposium**

Course Chairman Dr. Zein Obagi, the ZO Skin Health, Inc. medical director, is the driving force behind the Ultimate Skin Health European Symposium. He is a board certified dermatologist in Beverly Hills, California, and an author and educator who has presented more than 200 skin health lectures throughout the world. For more than 35 years Dr. Zein Obagi has pioneered and continues to advance skin care protocols based on his philosophy of creating and maintaining healthy skin as opposed to just treating diseased and damaged skin. The goal of the Ultimate Skin Health European Symposium is to provide participants with the most up-to-date and comprehensive scientific information on all matters pertaining to the skin and skin rejuvenation. Participants will learn in-depth treatment protocols for a wide range of skin conditions, including photo damage, hyperpigmentation and melasma, rosacea, acne, scars, and rhytides.
